"I'M WORKING TIRELESSLY TO END THE SAVAGE CONFLICT IN UKRAINE" US PRESIDENT SAID

"I'm (also) working tirelessly to end the savage conflict in Ukraine. Millions of Ukrainians and Russians have been needlessly killed or wounded in this horrific and brutal conflict with no end in sight. The United States has sent hundreds of billions of dollars to support Ukraine's defense with no security, with no anything." He acknowledged by the end of his speech before the congress members.

President Donald Trump added, as he made a point and warning over the terrible consequences of a lasting war "Do you want to keep it going for another five years? Yeah? You would say. Pocahontas says yes. 2,000 people are being killed every single week — more than that. They are Russian young people, they're Ukrainian young people. They're not Americans, but I want it to stop. Meanwhile, Europe has sadly spent more money buying Russian oil and gas than they've spent on defending Ukraine, by far." President Trump Said.

And they've spent \$100 billion. What a difference that is. And we have an ocean separating us, and they don't. But we're getting along very well with them and lots of good things are happening.

That didn’t happen.” President Trump said as he delivered his speech State of the Union at the US Congress !

“I RECEIVED AN IMPORTANT LETTER SAYING UKRAINE IS READY TO COME TO THE NEGOTIATING TABLE TO BRING LASTING PEACE CLOSER” PRES. TRUMP UNVEILED

President Trump confessed during his State of the Union’s speech, that he got some feed-back from Volodymyr Zelensky who started up the peace deal negotiation in the stormy and shocking atmosphere at the White House, last 28th February. Since that unprecedented diplomatic incident in the oval office, President Trump said the Ukrainian president should apologize and show more gratitude towards the American people and the USA for supporting his country since the war started (24 February 2022) but even in the first place in 2017, when President Trumps (during his first term, 2016-2020) “ Earlier today I received an important letter from President Zelensky of Ukraine. The letter reads: “Ukraine is ready to come to the negotiating table as soon as possible to bring lasting peace closer.”

“MY TEAM & I STAND READY TO WORK UNDER PRESIDENT TRUMP STRONG LEADERSHIP TO GET A PEACE THAT LASTS” PRESIDENT V. ZELENSKY WROTE IN HIS LETTER TO D. TRUMP

As already mentioned in our article of February 28th " <https://www.uspa24.com/bericht-25394/meeting-of-ukrainian-pres-zelensky-und-potus-trump-jd-vance-escalated-oval-office.html>, we had anticipated this turnaround.

Indeed, being in a weak position, with an army very weakened by a shortage of weapons and soldiers, and financial backers, President Zelensky, was going to have no choice but to apologize and agree to negotiate with American President Donald Trump and affirm his recognition, which had not been felt by either President Donald Trump, or Vice President JD Vance... President Zelensky then sent a letter and spoke from Kyiv in a selfie video, broadcast via social networks to announce: (this video, very much resembles his very first video filmed on the first day of the Russian attack, by filming himself standing in the street, dressed in military uniform and as head of the armies Ukrainian"

President Trump also alluded to the Pacific Ocean, during his congress speech, as if to recall the climax of the tension that had reigned in the Oval Office, when President Zelensky had said "You don't feel anything today with the Pacific Ocean but it's coming, soon you're going to feel it" this had certainly perceived President Trump as an underlying threat and had provoked his anger "We're going to be fine and we're not going to feel anything and you don't have the cards to and are not in a position to dictate to us what we're going to feel"

"Nobody wants peace more than the Ukrainians," he said. "My team and I stand ready to work under President Trump strong leadership to get a peace that lasts. ... We do really value how much America has done to help Ukraine, maintain its sovereignty and independence. ... Regarding the agreement on minerals and security, Ukraine is ready to sign it at any time." President Volodymyr Zelensky said in his letter sent to the Us President Donald Trump.../ To be continued, by our correspondent right there from Brussels, covering the European Union Extraordinary Summit as it goes on at the moment.
